No it does not. Have you saved it? It needs to be saved to update.

I create an upfront summary of the background on assessments. Does that show?

Hi Amber,

I see that you are in the document but I am not sure if what you are typing is showing up. Can you point to a specific thing?

Can you check to see what shows up in your sharepoint document? Also sorry about the formatting issues. Happy to talk about how to move forward. Just let me know what you received.

Hi Amber,

Thanks for letting me know. I know the struggle of the computer so I definitely understand that. Please let me know if there is anything I can do on my end to make it easier for you.

Best,

Quinn – I'm editing the document off line so that I can provide actual edits that might be helpful, not just more comments. I'll send those separately. I have had probs with my computer threatening to shut down, so I am having to save to my desktop – and not sure whether I will be able to upload when I'm done. Sorry if that creates probs. Stay tuned.

**Subject:** Follow-Up Meeting for Treated Seed Petition Briefing Paper

Good Morning All,

Thank you for all of your input yesterday. It will be very helpful moving forward with this briefing paper. We have attached the notes from the meeting yesterday and are working to incorporate your comments into the briefing paper. Below we wanted to clarify what is still needed to move forward:

Response on Microsoft Forms (COB Wednesday (today) 8/18/21): <https://forms.office.com/g/ZhwdjrXWXG>

Responses to claims made in Petition (Appendix B) (COB Thursday 8/19/21)

A response listing the assessments that are conducted and the data required for registration and registration review of seed treatments (COB Thursday 8/19/21).

I wanted to remind you that we have the DD briefing next week (8/24) and the briefing with Ed the week after that 8/31 so this briefing paper is on a quick timeline. If you have any questions please let me know.

Thank you for all your help,  
Quinn Gavin
